On behalf of the Hong Kong China Softball Association, I would like to express my greatest gratitude to all the softball friends and teams for coming to Hong Kong to join our international tournaments. Hong Kong is a small city with one and only one softball field; it's our honour to have you, all the great, amazing teams from around the world, here with us for the competition, offering an opportunity for mutual learning, showcase of friendship among the global softball community, and great experience for the local fans and spectators.

I would also like to take this opportunity to sincerely thank our organising committee members, sponsors, volunteers and staff for spending countless sleepless nights in making this event happen. It wouldn't have been possible without each of you.
