

**HKSA - Outfield Panel Display Scheme**

HKSA is launching a outfield panel display scheme in order to raise fund for the Tin Kwong Road (TKR) Slope remediation project. The participation team could take this opportunity to hang a banner with their team name and logo on the outfield panel of the TKR main field. If your team is interested to join the scheme, please fill in this form and send it together with your cheque (payable to “Hong Kong Softball Association”) and banner design (AI Format) to [info@softball.org.hk](mailto:info@softball.org.hk)

If your application is successful, we will start to produce your outfield banner.

**Details:**

Total 33 panels will be provided for hanging banners. The size of each banner will be around 1.55m(h) x 3.4m(w). The size of each banner will be slightly different depends on the actual size of the outfield panel.
