Preventive anti-epidemic measures for Tin Kwong Road Venue (TKR)

To ensure the health and safety of all visitors, the following measures will be taken in TKR to ensure a safe environment for all:

1. General measures:

- If visitors have respiratory symptoms, such as fever, cough, sore throat or dyspnea, etc., 14-day travel history or have close contact with a confirmed case, they should not visit the venue.
- All visitors are required to conduct mandatory temperature screening before entry. If the temperature is above 37.5 °C, entry will be denied, and the visitors are advised to seek medical attention.
- All visitors are required to scan the "LeaveHomeSafe" QR code for necessary contact tracing if a confirmed case is found.
- All visitors wishing to enter TKR, will be required to fulfill the Government vaccination requirements of Vaccine Pass before entering the TKR venue. They will be required to present vaccination records/scan the "QR Code Verification Scanner" before entry. Only under the following two circumstances can be exempted from the vaccination requirement:
 - Visitor aged under 12
 - Visitor is holding an Exemption Certificate
- The entry of the visitors will be denied if they have been out of Hong Kong within the past 14 days (excluding the designated person for exemption under Prevention and Control of Disease Ordinance).
- All visitors can use the hand sanitizer provided to clean their hands before entering TKR venue.
- All visitors must wear a mask at all times except when they are exercising at an outdoor premises, consuming a drink, having a shower or consuming food/drink at the table in catering premises.
- All members should book the facility for practice through [online booking](#) in advance.
Any group gatherings in TKR (unless during match play) must comply with the headcount restrictions of Government's (Prohibition on Group Gathering) Regulations, with a minimum distance of 1.5 metres between groups.
- High traffic areas and contact points in the venue will be sanitized every 4 hours.
- To have better crowd control, participants must leave the venue in 30 minutes after completed their match.

If visitors fail to comply with the above safety procedures, HKSA reserve the right to deny their entry. Thank you very much for your understanding and cooperation.
